

If LPFM is giving priority over FM translator service many great radio stations just as K-LOVE may not be on the air in many locations. Thousands of young children listen to K-LOVE every day.

Many people call K-LOVE every day for help in their lives. There is 5 full time ministers at K-LOVE. About 7 people turns their lives over to Christ every day. Hundreds of people who where thinking of ending their lives has not because of K-LOVE. I could go on for a long time telling you how important K-LOVE is to all the communities where K-LOVE is air. If the FCC does anything that will keep K-LOVE and other great christian radio stations off the air you will be doing a great injustice to the people of the United States.
